HOW TO VERIFY THIS FILE

1

Download this file

Save it exactly as downloaded.

2

Open audrie.io/verify

audrie.io/verify

3

Enter email, confirm human

Tick the box and click **Continue**.

4

Drop the file to verify

Computed locally. Never uploaded.

GOOD TO KNOW

TRY IT YOURSELF

After a successful verification, try opening this file, adding a character or typing some text, saving it, then verifying again. It will fail. That is the point: only a change to the file's content affects its cryptographic fingerprint, making any tampering immediately detectable.

WHAT YOU WILL SEE

VERIFICATION RESULT

Document verified

Matched against cryptographic proof on the Audrie ledger.
